CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

The following is an explanatory statement required by the GEM Listing Rules to provide the Shareholders with requisite information reasonably necessary for them to make an informed decision on whether to vote for or against the resolution to be proposed at the Annual General Meeting in relation to the granting of the Share Repurchase Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 159,114,400 Shares (with no Treasury Shares).

Subject to the passing of the resolution set out in item 4(A) of the notice of the Annual General Meeting in respect of the granting of the Share Repurchase Mandate and assuming that the issued share capital of the Company remains unchanged after the Latest Practicable Date and up to the date of the Annual General Meeting, i.e. being 159,114,400 Shares, the Directors would be authorized under the Share Repurchase Mandate to repurchase, during the period in which the Share Repurchase Mandate remains in force, a total of 15,911,440 Shares, representing 10% of the total number of Shares (excluding Treasury Shares, if any) in issue as at the date of the Annual General Meeting.

2. REASONS FOR SHARE REPURCHASE

The Directors believe that the granting of the Share Repurchase Mandate is in the best interests of the Company and the Shareholders as a whole.

Repurchases of Shares may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per share of the Company and/or earnings per share of the Company and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole.

3. FUNDING OF REPURCHASE

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its Articles of Association, the laws of the Cayman Islands and/or any other applicable laws, as the case may be.

4. IMPACT OF REPURCHASE

There might be a material adverse impact on the working capital or gearing positions of the Company (as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended 31 March 2025) in the event that the Share Repurchase Mandate was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not intend to exercise the Share Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

5. MARKET PRICES OF SHARES

The highest and lowest prices per Share at which Shares were traded on GEM during each of the previous 12 months up to and including the Latest Practicable Date were as follows:

6. GENERAL

To the best of their knowledge and having made all reasonable enquiries, none of the Directors nor any of their respective close associates (as defined in the GEM Listing Rules) have any present intention to sell any Share to the Company in the event that the granting of the Share Repurchase Mandate is approved by the Shareholders and exercised.

The Directors have confirmed to exercise the power of the Company to make repurchases of Share pursuant to the Share Repurchase Mandate in accordance with the GEM Listing Rules and the applicable laws of the Cayman Islands.

The Company has confirmed that neither the explanatory statement nor the Share Repurchase Mandate has any unusual features.

7. TAKEOVERS CODE CONSEQUENCES

If as a result of a repurchase of Shares pursuant to the Share Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholder's interest, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

To the best knowledge of the Company, as at the Latest Practicable Date, the following Shareholders were interested in 5% or more of the entire issued share capital of the Company as recorded in the register of the Company kept under section 336 of the SFO:

The Directors are not aware of any Shareholder or a group of Shareholders acting in concert, who will become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code as a result of the repurchase of Shares.

The Directors will use their best endeavours to ensure that the Share Repurchase Mandate will not be exercised to such extent that the number of Shares held by the public will fall below the relevant minimum percentage as determined by the Stock Exchange.

8. REPURCHASE OF SHARES MADE BY THE COMPANY

During the 6 months prior to the Latest Practicable Date, the Company had not repurchased any of the Shares (whether on GEM or otherwise).

If the Company repurchases Shares pursuant to the Share Repurchase Mandate, the Company may either cancel any repurchased Shares and/or hold them as Treasury Shares subject to market conditions and the capital management needs of the Company at the relevant time of the Share repurchases.

For any Treasury Shares deposited with CCASS pending resale on the Stock Exchange, the Company shall (i) procure its broker not to give any instructions to HKSCC to vote at general meetings of the Company for the Treasury Shares deposited with CCASS; and (ii) in the case of

dividends or distributions, withdraw the Treasury Shares from CCASS, and either re-register them in its own name as Treasury Shares or cancel them, in each case before the record date for the dividends or distributions, or take any other measures to ensure that it will not exercise any Shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws if those Shares were registered in its own name as Treasury Shares.
